Dear Mrs. Luh Putu Ike Midiani,

I hope this email finds you well. We have received the feedback from the reviewer regarding your manuscript titled "**DESIGN OF CLEAN WATER BOOSTER PUMP FOR HIGH-RISE BUILDINGS.**" The reviewer has raised several concerns regarding your manuscript, and we have carefully reviewed your work in light of their feedback.

After thorough consideration of the reviewer's comments, we have decided that we cannot accept your manuscript in its current form. However, we believe that your work has potential and we would like to give you the opportunity to revise your manuscript and resubmit it to our journal.

Please find attached the reviewer's comments for your reference. I encourage you to carefully review their feedback and address all the concerns raised in your revised manuscript.

We hope that you will consider revising your manuscript and resubmitting it to our journal. We believe that your work has significant value and has the potential to make a valuable contribution to the scientific community.

If you have any questions or concerns, please do not hesitate to contact me.

Thank you for considering our journal for your research.

Best regards,

Komang Widhi Widantha
