Goodnight Prof.

Nice to greet you via email again
well, at the moment we can only work from home given the circumstances due to the spread of Covid 19,
preparing e-learning materials, and of course, completing our manuscript for Scopus

Thank you for your help regarding the publication on Scopus on W3ES and I hope to complete the manuscript soon before I send it to you.

Regarding the article from my friend, I will send it soon because I am still reviewing it to be published in the EES journal

Hopefully, we are fine and can work well again
Stay healthy and fit for us all

Kind Regards
Wayan Edi Arsawan
