Hello,

Editor-in-Chief has submitted the manuscript, "Design of sintered zeolite evaporative cooling system" to International research journal of engineering, IT & scientific research.

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

Paper ID: **[IRJEIS-2243]**

Luh Putu Ike Midiani, Made Ery Arsana, I Nyoman Gunung:
Thank you for submitting the manuscript.

I would like to bring to your attention the positive decision of our scientific committee regarding the publication of your article in [IRJEIS](#).

We have reached a decision regarding your submission to International research journal of engineering, IT & scientific research, "Design of sintered zeolite evaporative cooling system".

It is a pleasure to accept your manuscript in its current form for publication in the International research journal of engineering, IT & scientific research. The comments of the referee(s) who reviewed your manuscript are included at the bottom of this letter.

Your article cannot be published until the publisher has received the appropriate signed license agreement. Once your article has been received by SLOAP for production the corresponding author will receive an email from SLOAP's Secretariat Service system which will ask them to log in and will present them with the appropriate license for completion.

Our decision is to: **Approved for Publication**

Referee(s)' Comments to Author:

Reviewing #1**Comments to the Author**

Acceptable and considerable for publication

Significance

- The manuscript represents a new and demonstratively significant advancement in research on international students

Review of Literature

- The manuscript includes a well-organized and analytical review of relevant literature
- The manuscript uses a clear and well-developed theoretical/conceptual framework

Research Design

- The manuscript reflects appropriate design and methodology
- The manuscript reflects high-quality data and analysis

Discussion

- The discussion and conclusion highlight the relevance of the findings for research, policy, and practice

Style

- The manuscript clear, logical, and concise

Reviewing #2

Comments to the Author

Recommended to Associate Editor

- The manuscript must follow APA publication guidelines and will be done by Copy Editor.
- Production Editor will arrange all term of APA citation in copy editing, therefore, they have a responsibility regarding the contents of the manuscript
- Acceptable for next copy-editing process and recommended to Associate Editor.

Associate Editor Comments to Author:

Comments to Author:

- The content of the manuscript is consistent with the scope and aims of the journal
- The manuscript consistently includes articles that are scientifically sound and relevant to an international academic or professional audience in this field by citations in other journals currently covered by Scopus.
- Approve for publication and recommended to Publisher.

Kind regards,

Chief Executive Editor
