Dear Adi Winarta,

Based on recommendations of the reviewers and the technical program committees, we are pleased to inform you that your paper identified above has been **accepted for oral presentation and selected for publication (in one of SICEST publications indexed by SCOPUS)**. Hence, you are cordially invited to present the paper at **Sriwijaya International Conference on Engineering, Science and Technology (SICEST) 2016**, which will be held on Bangka Island Indonesia, November 09-10, 2016.

Herewith, the steps you must take as soon after receiving this acceptance letter.

- 1.Fill and complete the [Online Registration Form](#) (provided on SICEST website)
 - 2.Receiving invoice document from the committee
 - 3.Finish the payment of registration fee via bank transfer
 - 4.Send a payment confirmation by e-mail to sicest@ft.unsri.ac.id
- Please complete the registration steps above before October 10, 2016.

After completing the registration and payment, you will be informed about the review result and the designated publication. A revision and paper template adjustment will be further requested according to the selected journal or proceedings.

Please direct all questions pertaining to registration, conference program and paper publication with an e-mail message to: sicest@unsri.ac.id.

Again, congratulations and we are looking forward to see you at the conference in Bangka Island, Indonesia.

Sincerely

Dr. Leily Nurul Komariah

Dear Adi Winarta,

Mohon maaf atas keterlambatan kami, dikarenakan ada kekeliruan dalam input data.

Paper saudara telah kami review dan revisi mengikuti template IJASEIT. Berdasarkan persyaratan IJASEIT maka minimal halaman adalah 6 tidak termasuk daftar pustaka (menjadi 7 halaman dengan daftar pustaka). Untuk itu silahkan merevisi paper anda dengan menambahkan satu halaman lagi. Gunakan file paper yang kami lampirkan dalam email ini. Selanjutnya setelah menjadi 7 halaman (apabila masih 6 halaman maka paper anda boleh jadi akan direject oleh editor IJASEIT), silahkan submit online langsung ke web IJASEIT dengan tidak mengubah nama file karena ID SICEST anda (MCI-008) telah kami daftarkan ke IJASEIT.

For this final step, author should submit the paper directly to IJASEIT, with the following steps:

- 1) Go to IJASEIT website: <http://www.insightsociety.org/ojaseit/index.php/ijaseit>
- 2) Register as an author: (<http://www.insightsociety.org/ojaseit/index.php/ijaseit/user/register>)
- 3) Login
- 4) New submission:
 - [1. Start \(Comments for the Editor : Paper from SICEST, with ID SICEST GMN-011\)](#)
 - [2. Upload Submission](#)
 - [3. Enter Metadata](#)
 - [4. Upload Supplementary Files](#)
 - [5. Confirmation](#)
- 5) Submit in .doc file. Please use paper attached to this email, and do not change the name of the file because it is already registered to IJASEIT.
- 6) After submit successfully, please notify (including the ID number of submission) to sicest via email: sicest@unsri.ac.id

It is important, due to it was confirmed that all accepted papers from SICEST 2016 will be published in IJASEIT volume of 2017 through the regular issue (instead of the special issue). It will be good if there is an evidence of communication between the editors of IJASEIT and author. The careful and quick response in doing the directives given by Editor is indispensable. Your good cooperation will be very well appreciated.

Thank You.

Dear Author with Paper accepted in SCOPUS Publication,

We are very much appreciated for your kind cooperation. The new and revised version of your paper has received. Hopefully the article is complied with the prescribed template of each publisher and has accommodated the requests of both reviewers.

Furthermore, this version will be sent back to the reviewers.

If accepted, the paper will soon be in the process for approval to the editor.

If not, we will send the appropriate revision or adjustments requests back to you.

It would be very much appreciated if you really pay attention to all instructions and revision requests properly so that the publication can be quickly resolved.

Thank you

Scientific Committee
