Dear Dr. I Made Rasta:

Congratulations - We are pleased to inform you that your manuscript #1570759693 ('Development and Characterization of Jatropha Oil as Innovative Bio-Sourced Phase Change Material for Thermal Energy Storage') has now been ACCEPTED by 2021 International Conference on Applied Science and Technology (iCAST).

The evaluation of your paper and all comments from reviewers of your paper are enclosed to this message.

The reviews are below or can be found at <https://edas.info/showPaper.php?m=1570759693> using your EDAS login name maderasta@pnb.ac.id.

Please follow the accepted procedures here <https://icast.isas.or.id/2021/>

Now we would like your cooperation with the double check of your paper.

- (1) The authors have to follow the reviewer's reviewer's comments/suggestion to improve/revise the paper quality.
- (2) For the paper final version: Please Strictly use and follow to ScitePress template Manuscripts (Word Format) for iCAST-ES: http://www.scitepress.org/documents/SCITEPRESS_Conference_MSWord.zip; and follow to AtlantisPress (AP) template Manuscripts (Word Format) for iCAST-SS: https://icast.isas.or.id/2021/wp-content/uploads/2021/06/ICAST2021_TEMPLATE_Atlantis_.doc
- (3) Proofread your final manuscript thoroughly to confirm that it will require no revision.
- (4) Most importantly, please ensure the similarity score is less than 20%. You can refer to EDAS to see the similarity score of your paper. If the similarity score of final version is more than 20%, the paper will be dropped or cancelled to be presented at iCAST 2021.
- (5) Please take notice that the Final Paper (DOC version) should be submitted by September 21, 2021. Please upload your manuscript as "Final manuscript" on the EDAS system.
- (6) The payment and registration must be performed before September 30, 2021. For more information please follow the instruction below: <https://icast.isas.or.id/2021/registration/>
- (7) Please upload your PPT presentation file and Video presentation file (maximum 10 minutes) at EDAS by October 15, 2021.
- (8) The Committee reserves the right to exclude a paper from distribution after the conference (e.g. removal from publication at ScitePress and AtlantisPress) if the paper is not presented at the conference.

We, iCAST 2021 organizer, are now planning the detail program and will inform you in coming weeks the information related to iCAST 2021

We are looking forward to seeing you in Samarinda-Indonesia on October 23 – 24 , 2021.

This paper is very good for contribution in this pandemic era especially for carrying the vaccine, the author explain about their project with very well, but in the discussion on this paper author must be revised for english grammer, especially in the references. maybe the author can using an aplication citation such mendeley, zotero, etc. the most important is please blind the author for the next submitting.

- Research objectives and method need to be stated in the abstract

- The content is good and has good impact and contribution potential. However, there are not many comparisons with similar studies, so the Uniqueness is not very noticeable
