

BUKTI KORESPONDENSI ARTIKEL

Judul Artikel : Complete Agglomerative Hierarchy Document's Clustering based on Fuzzy Luhn's Gibbs Latent Dirichlet Allocation
Nama Jurnal : International Journal of Electrical and Computer Engineering (IJECE)
Link Artikel : <https://ijece.iaescore.com/index.php/IJECE/article/view/12933>

1. EMAIL TENTANG SUBMIT PAPER

2. EMAIL TENTANG REVISED PAPER

The screenshot shows a Gmail interface with an email from IJECE Journal. The subject is "Re: [IJECE] Revised Version Uploaded". The email is dated "Kam, 22 Nov 2018, 15.02". The sender is "IJECE Journal <ijece@iaesjournal.com>". The email content includes a greeting "Dear Professor," and a congratulatory message: "It is my great pleasure to inform you that your paper is accepted and will be published on the International Journal of Electrical and Computer Engineering (IJECE), a Scopus indexed journal. Congratulations!". Below this, there is a section titled "This journal is an OPEN ACCESS. Why publish open access? IAES open access authors benefit from: Quality, established and reputable journal, reaching key audiences' with 5 million users per month, high citations, etc. Benefits of the OPEN ACCESS policy:" followed by a list of benefits:

- Researchers as authors: immediate visibility for research output and thus increased visibility and usage of their results. Open Access may even lead to an increase of impact.
- Researchers looking for information: access to literature everywhere, not only from a campus but also from any site with wifi access.
- Funding agencies: increased return on investment (ROI), increased visibility.
- Universities & research institutes: greater visibility, clearer management information.
- Libraries: increased access for target audience, financially a more attractive model than the current subscription model.
- Teachers & students: unrestricted access to material, enriched education, allowing equality of learning in poor as well as in rich nations.

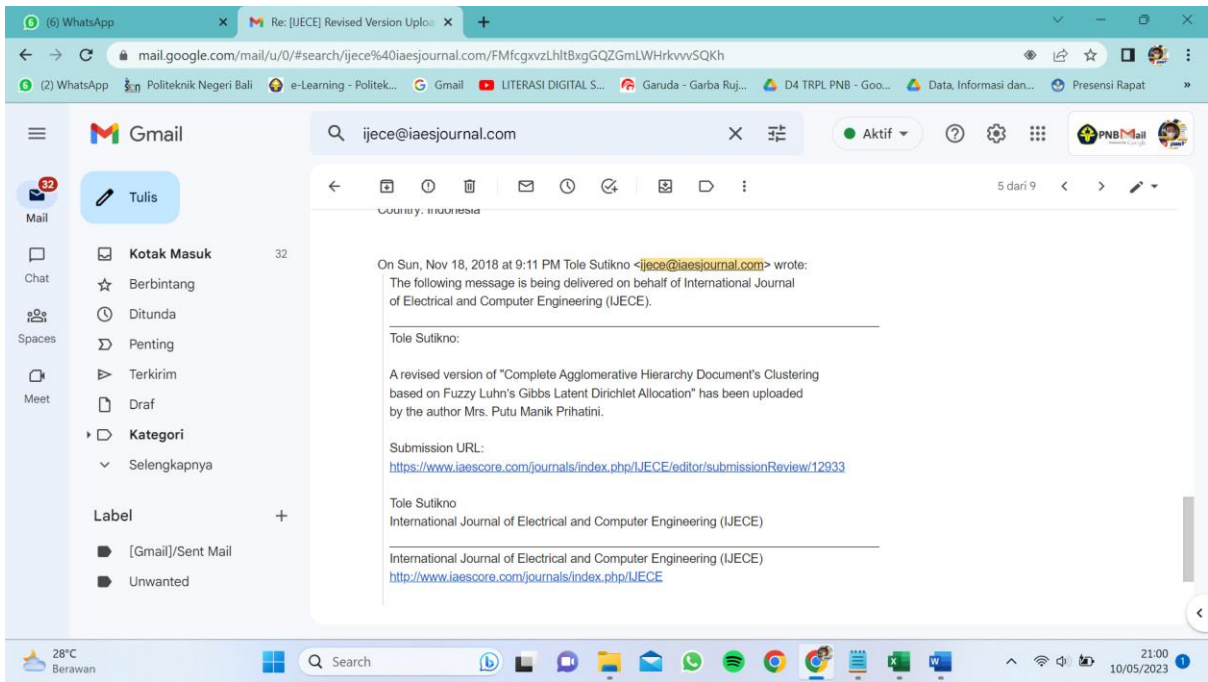

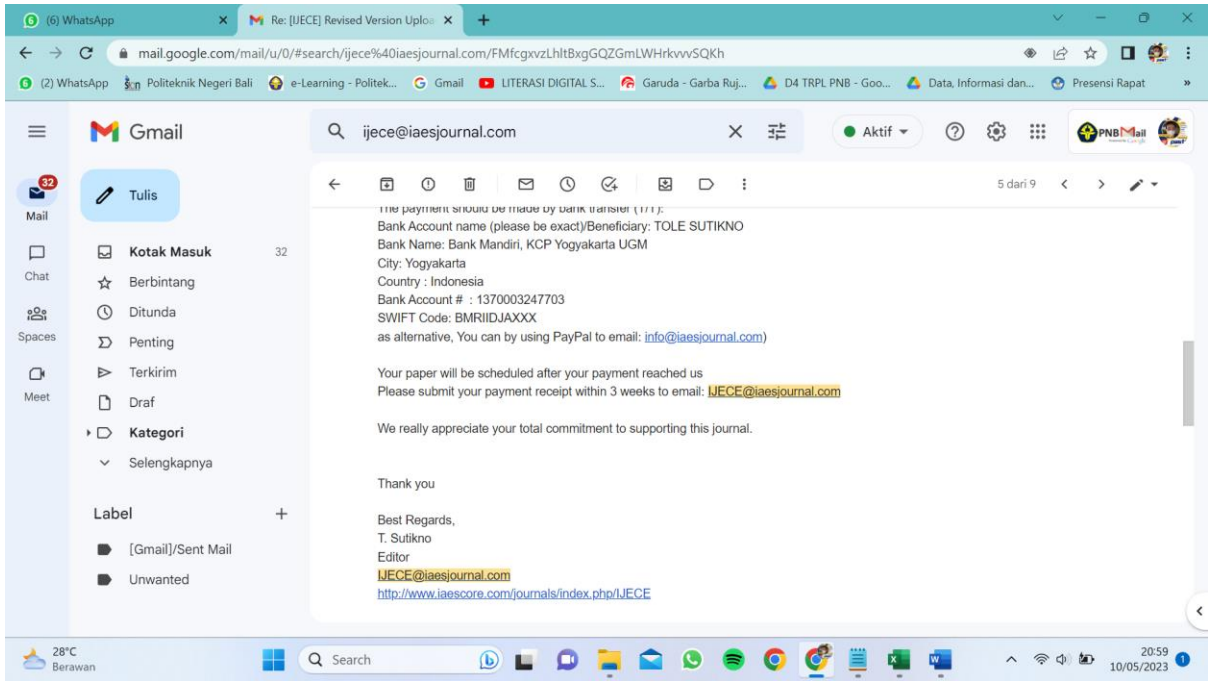

This screenshot shows the continuation of the email from IJECE Journal. The list of benefits continues:

- Libraries: increased access for target audience, financially a more attractive model than the current subscription model.
- Teachers & students: unrestricted access to material, enriched education, allowing equality of learning in poor as well as in rich nations.
- Science: enhanced and accelerated research cycle.
- Citizens & society: access to knowledge / access to the results of publicly funded research.
- Enterprises: access to critical information.
- Publishers: transparent business model, ultimate online article distribution, ultimate visibility for articles.

So, Open access fee is paid by the authors, or on their behalf to support the cost of wide open access dissemination of research results, to pay deposit to CrossRef in order to each published articles has a Digital Object Identifier (DOI), to manage the various costs associated with handling and editing of the submitted manuscripts, and the Journal management and publication in general.

Each accepted paper will be charged (based on first author and first institution): USD 265 (~IDR 3500K)
This charge is for the first 8 pages, and if any published manuscript over 8 pages will incur extra charges USD45 (~600K) per page (<http://www.iaescore.com/journals/index.php/IJECE/about/submissions#authorFees>)

The payment should be made by bank transfer (T/T):
Bank Account name (please be exact)/Beneficiary: TOLE SUTIKNO
Bank Name: Bank Mandiri, KCP Yogyakarta UGM
City: Yogyakarta
Country : Indonesia
Bank Account # : 1370003247703
SWIFT Code: BMRIDJAXXX
as alternative You can by using PavPal to email: info@iaesjournal.com
