Overall, paper shows good technical discussion. Pass Plagiarism check 17%. But paper need to be revised particularly in parts of format of reference and grammar use. Paper need major revision.

1. Result and suggestion for further research need to be stated clearly in abstract
2. Abstract has more than 200 words, need to be revised from 255 words to maximum 200 words.
3. The Figure number need to be included in discussion
4. Revise some references according to template, no numbering of reference along paper content
5. Revise some references system as template use APA system such as year come after author, not the end of reference.
6. All references use have to be mention on the paper. not iust on the list such as Grant. J. T. (1984) as well as reference on paper need to be

6. All references use have to be mention on the paper, not just on the list such as Grant, J. T. (1984) as well as reference on paper need to be mention on the list such as (Juditha, 2018)
7. Revise line space in part of Conclusion to single space
8. Revise conclusion first sentence
9. Revise English grammar use Grammarly or other English check application for grammar mistakes such as: Social media not only has a positive impact on its users, but also has a negative impact with – preposition with revise to preposition on

Make sure the paper is fit to the template as requested by the publisher. Social follow AP template, ES follow Scitepress template.

Make sure the English have met a good standard. Good grammatical and the reader can be read well
