Summary: Please review the construction of the paragraphs. The transition of the ideas is not in order. Also, review sentence construction.

Details: Some phrases in some sentences are incompletely constructed making it impossible to understand. Please provide a word or words that could complete its meaning or idea. Some of the phrases used are incomprehensible. Please check the word meaning, its use, and its derivatives before using it in a sentence. Punctuation marks not properly placed/inserted. Please use the comma to separate an idea or a clause. Use the semicolon to separate the most important part of the sentence and not a period. Please make sure that there is unity among the ideas in the paragraphs. Use the pattern of "main topic followed by subtopics or supporting details". Please start a sentence with a complete subject so that the idea is also complete. Start the paragraphs with a main topic and not a sentence that does not seem to be clear or is not the main topic. Some nouns cannot be turned to plural as it is a special noun which means that it is

Summary:

Details: Some phrases are incompletely constructed. Please check if the phrases lack adjectives, articles, preposition, conjunctions, or other modifiers that could complete its meaning. Please do not use the first person pronoun that refers to the author/s. The paper is a formal written document. Please use the conjunctions to connect similar ideas. Some ideas are not correctly connected. Please rephrase the conclusion. The idea seems to be a bit unclear.
