Dear Authors,

Please find in the attachment review results of your paper(s).

The review was mainly about the paper format (the way you organize your paper according to the template) and novelty (gap between previous research findings and your study). You must show that at least 10 related papers from reputable international journals are referenced in your paper.

Due to limited time given by the journal publisher, we apologize that you will only be given a maximum of 7 days (due on 22/11/2015) to revise your paper and submit back to us for final decision.

Please be advised that should your paper is selected to be published in the journal, you may be charged an additional fee. We will inform you once final decision is made. If your paper is not selected then it will be automatically published in our BISSTECH 2015 Proceedings.

Thank you for your participation in the seminar.

Good luck to you all.

Regards,

BISSTECH 2015  
Committee

To: sugeng winardi <swinardi@chem-eng.its.ac.id>, Wayan Gede Santika <wayan.santika@pnb.ac.id>

Bapak/Ibu Pemakalah,

Pertama-tama kami ucapkan terima kasih atas partisipasi Bapak/Ibu dalam acara BISSTECH yang telah diadakan pada 15-16 Oktober 2015.

Yang kedua, kami perlu memohon maaf atas proses yang memakan waktu lama dari sisi proses seleksi untuk publikasi di jurnal internasional karena ada hambatan-hambatan tak terduga dalam perjalanannya. Dari 200 lebih makalah yang mengajukan ke BISSTECH 2015, setelah review dan usaha perbaikan-perbaikan yang dilakukan, akhirnya hanya ada 60 makalah yang terseleksi masuk jurnal internasional.

Yang ketiga, kami perlu sampaikan dengan berat hati bahwa hasil akhir proses seleksi menyatakan makalah Bapak/Ibu (daftar terlampir) tidak terpilih untuk masuk ke jurnal internasional. Sesuai dengan rencana yang sudah kami sampaikan dulu, jika makalah Bapak/Ibu tidak terpilih ke jurnal internasional maka kami berikan opsi untuk terbit di publishing internasional ber ISBN.

Untuk itu, dengan ini kami menawarkan kepada Bapak/Ibu, jika Bapak/Ibu berkenan untuk melanjutkan publikasi di Prosiding BISSTECH (yang nantinya akan bisa dilihat link makalah Bapak/Ibu di website BISSTECH 2015, untuk keperluan pelaporan dan lainnya), mohon mengisi form License Agreement yang kami lampirkan, menandatangani, men-scan-nya dan kemudian mengirimkan file hasil scan ke email kami (bisstech2015@gmail.com). Kami tunggu pengembalian file hasil scan terakhir pada 1 Juni 2016.

Demikian, pemberitahuan kami.  
Terima kasih banyak sekali lagi atas partisipasinya.

Hormat kami,

Panitia BISSTECH 2015
