Dear IJCST Team,

Attached are the paper files (pdf and doc formats).  
Before I was failed to submit through the ICST system. I asked the PNB team to submit it to your team.  
Unfortunately, they did not do it.

Thank you for the reminder.

Best regards  
Suamir

Please kindly find my attached revised articles.  
Many thanks for your help and cooperation

My Best regards  
Suamir
