Subject: Selected as Book Chapter "Monitoring and Tracking Group Traveler Application Using GPS Technology"

Dear Dr. I Ketut Gede Sudiarta,

We are glad that you are reading this mail. We hereby heartily congratulate you for the publication of your following paper. We appreciate your hard work and sincerity behind the publication of this excellent paper.

"Monitoring and Tracking Group Traveler Application Using GPS Technology"
in
International Journal of Advanced Trends in Computer Science and Engineering, 10(1), January – February 2021, 168 – 174

You are already aware that publication of research work in a peer-reviewed international journal has important value. At the same time publication of research work as a Book chapter in an Edited Book also has a significant importance in career. A

The screenshot continues the email content, mentioning the number of books published and the benefits of publishing in a book. It lists features such as professional review, cover design, and ISBN number. It also mentions complimentary free services like social media promotion.

completely legai and acceptaioe procedure in the acaemoic woria.

We want to share good news with you. We have published more than 82 books in last three months (<https://www.bookspi.org/>). We are overwhelmed with pleasure for this tremendous response from researchers like you. We are going to publish more than 5 volumes in next two months in the following area. With the same research work you can get double benefit and it will enrich your resume.

We're happy to inform that your paper has been selected to be included as one of the potential book chapters of the following book. You're also welcome to publish your other research papers, which have been published in other journals. If you have any fresh manuscript, you can submit for review and inclusion as book chapter.

Book name: Recent Advances in Mathematical Research and Computer Science

Details of charges are available below. Presently 80% discount on the publication charge has been announced for this month.
<https://www.bookspi.org/charges/>

Features:

1. Professional review, editing and plagiarism checking.
2. Professional cover-page design and typesetting.
