Dear Mr. I Made Ariana:

Information about your paper #1570833585 ('Entrepreneurship Orientation and Financial Performance of Traditional Village Business Entities') for iCAST-SS 2022 was changed by I Made Ariana ():

Abstract: Traditional village businesses in Bali need to have an entrepreneurial orientation to improve performance. The objectives of this study were to describe and understand the entrepreneurial orientation of traditional village businesses, to describe and understand the financial performance of traditional village businesses, and to analyze the relationship between entrepreneurial orientation and the financial performance of traditional village businesses. This research design is descriptive research. The subjects of this study were traditional village business managers consisting of seven managers of traditional village-owned enterprises (BUPDA) and 30 managers of Village Credit Institutions (LPD) in Bali. The research instrument used was a questionnaire on entrepreneurial orientation and financial performance of traditional village businesses. The data were analyzed using percentage analysis techniques. The results showed that 1) the entrepreneurial orientation of traditional village businesses was good; 2) the financial performance of the traditional village business was good; 3) entrepreneurial orientation is related to the financial performance of traditional village businesses.
