Dear Putu Indah Ciptayani,

You did not provide the following references in the text:[22], [23], [24].
All the references that you have listed under section References must be cited in the text where you have used them.
If you have not specified them in the text, do not list them under section References.
After the corrections you should send us your paper again.

Best Regards,
Editorial Board office,

Your paper "A Custom-based Crossover Technique in Genetic Algorithm for Course Scheduling Problem" **has been accepted** to be published and printed in Tem Journal Vol.9, No.1, (in last week of February, 2020). **Please sign copyright agreement form, and send a scanned copy back to us.**

Publication fee (covers: publishing, review and databases indexing costs): **400 euros**.

It is necessary to make the payment within 6 days. If you do not make the payment within that time period, we will publish the paper in the next issue.

After payment, please inform us.

In attachments, you can find details about how to pay publication fee.

Your paper may not be published elsewhere (journal, scientific conference, etc.), in substantially the same form, in English or in any other language.

Dear Ida Bagus Irawan Purnama,

All papers published in **TEM Journal** in 2020 are covered by SCOPUS too.

<https://www.scopus.com/sourceid/21100831441?origin=sbrowse>

They are acquiring materials from our website automatically, and now is everything slowly because of this world situation. We hope that it will be soon.
